Job Title: Teaching Assistant

Enrollment: 200

Positions: 1

Size of Appointment (hours): 45

Session: Winter 2025

Qualifications:

Previous experience is the more relevant criterion than the need to acquire experience in respect of this posted position. Demonstrated solid background in Computer Science and Software Engineering. Experience with containers (Docker) and CI/CD required. Demonstrated working knowledge of Agile processes, Scrum, XP, project management, planning. Strong technical skills are a must. Demonstrated hands-on experience with modern libraries and frameworks, web development, git, issue tracking tools. Demonstrated knowledge of object-oriented design principles, design patterns, refactoring, software architecture. Excellent communication skills, ability to supervise student development teams. Enthusiasm in teaching. Preference will be given to those who have completed

CSCC01/301 and CSCD01/302 (or equivalent). Interested candidates will be invited for an interview with the course instructor. These paid positions are open only to University of Toronto Students who have demonstrated a sound knowledge of the relevant subject matter and who have the ability to impart that knowledge to other students. All contracts are by session and extend for four months each as per the length of each session.

Duties:

General duties include conducting weekly tutorial sessions; holding office hours; grading quizzes, assignments, tests and exams; other duties as required by the course. Duties of this position shall be performed at the campus on which the position is located.

Notes:

TA duties will vary from course to course. All TAs must be available to complete all assigned duties

throughout the term. Duties of these positions shall be performed at the campus on which the position is located. Where the duties are intended to be performed at another location, such other location shall be specified in the posting. If, during the application and/or selection process you require accommodation due to a disability, please contact Dilaany Sebarasa dilaany.sebarasa@utoronto.ca 416-287-7079. Effective January 2025, the following rates apply: Undergraduate/SGS I/SGS II: \$52.97/hour (plus 4% vacation pay). All positions include the completion of any regular course grading not completed by August 31st for Summer, December 31st for F courses and April 30th for S and Y courses. The Department of Computer & Mathematical Sciences reserves the right to make partial appointments.

-Department Standards and Policies are available in the Department on the notice board outside of Room IC-437 and in the CUPE L3902 office.

-The positions posted above are tentative, pending final course determinations, enrolments and budgetary considerations.

-Hiring will be governed by the regulations outlined in the CUPE Local 3902 Collective Agreement.

This job is posted in accordance with the CUPE 3902 Unit 1 Collective Agreement:

https://www.cupe3902.org/wp-content/uploads/2022/08/FULLY-SIGNED-CUPE-3902-Unit-1-Collective_Agreement-2021-2023.pdf

-Please note that should rates stipulated in the collective agreement vary from rates stated in this posting, the rates stated in the collective agreement shall prevail.

-Although a graduate student's preference as to the campus location of his/her TA appointment will be taken into account, both the initial TA appointment (or CI appointment) and the subsequent appointment obligation related to that appointment may be met through position(s) on any one of the three University campuses (UTM, UTSC or St. George).

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas.

Candidates who are members of Indigenous, Black, racialized and 2SLGBTQ+ communities, persons with disabilities, and other equity seeking groups are encouraged to apply, and their lived experience shall be taken into consideration as applicable to the position.
